

Licensed Installer Dealer for the Whisper Walls® System

Designing, Specifying & Project Costing

Please complete this form then e-mail, fax or post to us so we can revert back to you with an accurate cost for your project. If you would like further information on any of the components or require help in filling out this form, please do not hesitate to contact us.

1	CONTRACT SITE	Indicate name and location of your project.	
2	PROJECT SIZE (M²)	Indicate dimensions of all walls and/or ceilings to be treated, with panel layouts. Please send us drawings of wall elevations including door & window locations, plus ceiling or floor plans, if possible. Include special shapes, if required.	
3	EDGE & MID-WALL DETAIL	Standard Architectural Edge & Mid-Wall detail include: Bevel, Square, Radius and Welted.	
4	SYSTEM DEPTH	The system is available in; 12mm, 23mm, 27mm, 32mm, 38mm and 52mm. Custom depths are also available.	
5	ACOUSTIC CORE	Standard cores include acoustic, tackable (impact resistant), reflective or a combination of all three. Please consult us about which core is suitable for your needs. If sound reduction treatment is required as well as reverberation control, please indicate.	
6	FABRIC FINISH	One of the most important components of your custom wall/ceiling system. This is where you can really showcase your creativity and add your personal touch to a project. There are over a thousand fabrics to choose from ranging in colour, pattern, texture and composition. Please select a colour or indicate the name of the fabric, if known. You may also send us a sample for us to match. Some of our samples can be viewed or requested from the Design section of our website.	
7	OPTIONAL INTEGRATED DESIGN FEATURES	Indicate whether you would like to integrate any of the following features: - Flat Panel Speakers behind the fabric for conference or corporate Audio/Visual - digital 5.1, Flat Panel LCD/Plasma TV's for flush fabric wall mounting, Low Voltage Lighting systems for visual impact, Reveal Inserts in hardwoods/softwoods, metals or mirror, and High-Resolution digital photos or graphic design images printed on fabric.
